Dear Dr. Becker,

We kindly refer to your letter of December 8, 1998 to the National Adhering Organizations concerning the nominations for the various IUPAC positions.

On behalf of the Russian Academy of Sciences - the adhering organization of IUPAC, I am pleased to nominate Vice-President of the Russian Academy of Sciences Academician Oleg M. Nefedov for election as a Member of the IUPAC Bureau.

Professor Nefedov is a famous physical organic chemist. His outstanding contribution to this area of science is well known and highly appreciated by the chemical community. At the same time, his long and fruitful activity at the IUPAC affairs makes him a very good candidate for this position.

A Curriculum Vitae of Prof. Oleg M. Nefedov is enclosed.

Yours sincerely,

Academician N. Plate
Secretary General for Science
Russian Academy of Sciences
