

IUPAC Deceased Colleagues

(as of 27 June 2003)

- Brazil: Prof. Antonio Luiz Pires Valente – National Representative, Commission on Separation Methods in Analytical Chemistry, 1994-1999.
- Canada: Prof. Almeria Natansohn – National Representative, Organic and Biomolecular Chemistry Division, 2002-2003.
- Czech Republic: Prof. Pavel Cefelin – Associate Member, Macromolecular Division, 1996-1999. Secretary, Czech National Committee for Chemistry
- Egypt: Prof. Ahmady A. Yassin – National Representative, Commission on Polymer Characterization and Properties, 1996-2001.
- France: Prof. Robert Panico – Division Vice President, Commission on Nomenclature of Organic Chemistry, 1981-1991; Co-Editor of “Blue Book” - Nomenclature of Organic Compounds, 1993.
- Germany: Dr. Regine Heinrich-Ramm – Associate and Titular Member, Commission on Toxicology, 1996-2001.
Dr. Harry Klich – Member, Interdivisional Working Party on Harmonization of Quality Assurance, 2000-2002.
- Hungary: Dr. Elemér Dobolyi – National Representative, Commission on Soil and Water Chemistry, 1988-1999.
- India: Prof. K. Kishore – National Representative, Commission on Macromolecular Chemistry, 1998-1999.
- Japan: Prof. Junshi Miyamoto – Associate and Titular Member, Division Vice President, Division President, and Division Past President, Chemistry and the Environment Division, 1990-2003; Member, Committee on Chemistry and Industry (COCI) 1998-2003; Member, Finance Committee, 1998-2003, Representative, Scientific Committee on Problems of the Environment (SCOPE), 1998-2003; Titular Member, Committee on Teaching of Chemistry, 2000-2001.
- Korea: Prof. Sang Chul Shim – National Representative, Commission on Photochemistry, 1998-2001.

- Netherlands: Dr. F. Bosscher – Member, Working Party on Molecular Characterization of Commercial Polymers, 1998-1999.
- Poland: Prof. Andrzej Plonka – National Representative, Commission on Radiochemistry and Nuclear Techniques, 1992-2001.
- Russia: Prof. Gregory I. Ramendik – Associate and Titular Member, Commission on Isotopic Abundance and Atomic Weights, 1991-2001; Member, Subcommittee on Natural Isotopic Fractionation, 2000-2001.
- Spain: Dr. José Antonio Garcia-Dominguez – Associate and Titular Member, Commission on Separation Methods in Analytical Chemistry, 1998-2001; Secretary, Spanish National Committee on IUPAC.
- United States: Dr. Hideo Kon, Associate Member, Commission on Molecular Structure and Spectroscopy, 1983-1987.
- Mr. Stanley P. Klesney – Secretary and Associate Member, Commission on Nomenclature of Organic Chemistry, 1968-1983; Co-Editor, of “Blue Book” - Nomenclature of Organic Compounds, 1979.
