Torino, Italy - Lingotto Conference Centre

PROMOTION ACTIONS

Information & dissemination by the Organising Committee (2003 – 2005)

Presentation of .ppt files of various shape and dimensions at Chemistry Congresses, Conferences, Meetings, etc

2003: 3
2004: 6
2005: 5

1st Press conference (sponsored by Torino Municipality) Jun 2004

Flyers, posters, gadgets at 40th IUPAC Congress and 43rd IUPAC GA Aug 2005

2nd Press Conference + Dinner (sponsored by Torino Municipality) Oct 2005

44th IUPAC General Assembly, August 4-12, 2007

41st IUPAC World Congress, August 5-11, 2007

Torino, Italy - Lingotto Conference Centre

PROMOTION ACTIONS

**Proposals for IUPAC and Congress Organasing
Committee joint actions (Sep 2005 – Jun 2007)**

IUPAC sponsored Conferences, Meetings, etc.	Presentation (.ppt files) by the appointed IUPAC representatives
International Chemistry	Double back-covers (updated)
Involvement of NAOs	Various*

*e.g. proposed joint action by NAO and Scientific Attachés at the local Italian Embassy

44th IUPAC General Assembly, August 4-12, 2007

41st IUPAC World Congress, August 5-11, 2007

Torino, Italy - Lingotto Conference Centre

General Theme of the 41st IUPAC World Chemistry Congress

Frontiers in Chemistry

***Chemistry Protecting Health,
Natural Environment
and Cultural Heritage***

44th IUPAC General Assembly, August 4-12, 2007
41st IUPAC World Congress, August 5-11, 2007
Torino, Italy - Lingotto Conference Centre

Scientific Programme

**Sessions will comprise symposia, possibly jointly organised
(Foreign/Italian chair and Italian co-chair for each session)**

Session 1 – Chemistry Protecting Natural Environment (session theme)

Symposium 1.1 – Green Chemistry

Symposium 1.2 – Climate problems (jointly with Symposium 7.2)

Session 2 – Chemistry Protecting Health (session theme)

Symposium 2.1 – Food Chemistry (jointly with Symposium 7.1)

Symposium 2.2 – Drug Discovery (jointly with Symposium 8.2)

Session 3 – Chemistry Protecting Cultural Heritage (session theme)

Symposium 3.1 – Restoration (jointly with Symposium 4.2)

Symposium 3.2 – Conservation of manuscripts

44th IUPAC General Assembly, August 4-12, 2007
41st IUPAC World Congress, August 5-11, 2007
Torino, Italy - Lingotto Conference Centre

Scientific Programme

**Sessions will comprise symposia, possibly jointly organised
(Foreign/Italian chair and Italian co-chair for each session)**

Session 4 – Materials Chemistry and Nanotechnologies (session theme)

Symposium 4.1 – Metals and Alloys (jointly with Symposium 6.2)

Symposium 4.2 – Polymers (jointly with Symposium 3.1)

Session 5 – Theoretical Chemistry and Computer Chemistry (session theme)

Symposium 5.1 – Molecular Modelling (jointly with Symposium 8.1)

Session 6 – Inorganic Chemistry (theme)

Symposium 6.1 – Bioinorganic Chemistry

Symposium 6.2 – Nanostructured materials (jointly with Symposium .4.1)

44th IUPAC General Assembly, August 4-12, 2007
41st IUPAC World Congress, August 5-11, 2007
Torino, Italy - Lingotto Conference Centre

Scientific Programme

**Sessions will comprise symposia, possibly jointly organised
(Foreign/Italian chair and Italian co-chair for each session)**

Session 7 – Analytical Chemistry (session theme)

Symposium 7.1 – Metrology in Chemistry (jointly with Symp. 2.1)

Symposium 7.2 – Drug metabolites in environ. (jointly with Symp.1.2)

Session 8 – Organic Chemistry (session theme)

Symposium 8.1 – Molecular Modelling (jointly with Symp. 5.1)

Symposium 8.2 – Drug Discovery (jointly with Symposium 2.2)

Session 9 – Biological and Biophysical Chemistry (session theme)

Symposium 9.1 – Biomolecules in solution

Session 10 – Advances in Chemical Education (session theme)

44th IUPAC General Assembly, August 4-12, 2007
41st IUPAC World Congress, August 5-11, 2007
Torino, Italy - Lingotto Conference Centre

41st IUPAC Congress Satellite Meetings

Satellite Meetings organisation is encouraged provided:

- 1) Overlapping with Congress themes and days is not expected**
- 2) Registration to Satellite Meeting is made through the Congress**

44th IUPAC General Assembly, August 4-12, 2007
41st IUPAC World Congress, August 5-11, 2007
Torino, Italy - Lingotto Conference Centre

41st IUPAC Congress relation actions

Close collaboration with IUPAC Divisions through Sessions

Various involvements of NAOs and Societies of Chemistry

Organisation of initiatives aimed to involve young chemists

44th IUPAC World Chemistry Congress REGISTRATION FEES*

Before April 1st, 2007

- Regular participants: € 420
- IUPAC Affiliates: € 380
- GA Participants: € 120
- Student: € 210
- Accompanying person: € 200

After April 1st, 2007

- Regular participant: € 500
- IUPAC Affiliates: € 450
- GA Participants: € 450
- Student: € 270
- Accompanying person: € 240
- On-site registration: € 580
